

All Interest Owners:

We strongly suggest signing up for Direct Deposit. With the mail there could be a delay when you receive a paper check, and we feel it is less secure than direct deposit. We have enclosed an authorization agreement for you to complete if you choose this payment method. Please be certain to obtain and submit signatures from all account holders.

You will receive the remittance detail information by email which should be retained by you for tax purposes to enable you to report your oil and gas income. Therefore, **AN EMAIL ADDRESS IS REQUIRED TO RECEIVE DIRECT DEPOSIT.**

Funds will be released monthly once the revenue reaches \$25.00 for ACH. If you continue to receive a check, they will be issued when \$50.00 is reached. All revenue payments made will remain contingent upon production within any given month.

A 1099 will be **mailed** to you at the end of the year.

It is important that you notify us, in writing, of any change in ownership, decimal interest, payment address, or bank account information.

Please return the completed agreement form to the address or the fax number below.
